Address:

**650 E 600 S, Spring City, Utah, Spring City**

Price:

**3550000.00 \$**

Over 7,000 sq ft of living space, 5 bedroom, 3 bathrooms, on 49+ acres of native grasses, flat terrain, and stunning views.

Looking for serenity, peace, and beauty? Look no further - these abound here in the country while being close to the artistic and historic town of Spring City. This entrancing home will have you swooning with its amazing and unobstructed valley and mountain views at every turn. Enjoy relaxing times on the 3/4 wrap-around deck: following the sun or gazing at the stars; cooking up a feast in gourmet chef's dream of a kitchen; reading by the fireplace in the library, or growing your own veggies in the automated greenhouse. Impeccably maintained with devotion to detail including crown molding in nearly every room, 1/4 sawn oak cabinets and finishes throughout, Italian porcelain floor tile, quartz countertops, formal dining room, butler's pantry, two fireplaces, and a bonus room over the attached oversized 3 car garage that can easily become a theater room. If that's not enough, the basement features a large gym (or theater room), storage room, and room to expand. Outdoor features include fully irrigated landscape around the home, drip lines to water the trees, and all 49+ acres are fenced and have been cultivated with native grasses for low maintenance and easy care. 4

acre ft of irrigated landscape. The large barn has a room for a horse, car, and tractor, and the wood deck is completely fitted with a cooling system.
